| 16             | <b>P: READ THE PASSAGE AND ANSWER THE QUESTIONS.</b>   |                    | 3.5             |
|                | <p>Nowadays life is becoming more and more stressful. People live under the pressure of various problems social, emotional, mental and others. They constantly suffer from stress, noise and dust in big cities. In order to overcome all difficulties a person should be strong and Healthy, take care of physical and mental health. There are several always to do that. Sport is one of the first importance. Nowadays different kinds of sports become more accessible for people. Vast network of sports club offers a great choice of them having equipment and trainers helping choose the right set of exercises. The healthiest kind of sports are climbing jogging and yoga. Healthy lifestyle pre-supposes healthy food. Usually healthy food is simple. The daily menu includes meat, fruits and vegetables, milk products. Fruits and vegetables contain different vitamin and give us energy. I prefer milk to coffee, seafood to meat vegetables soup to fatty food. People go on a diet especially women.</p> |                    |                 |
