	As humans, we develop habits and we follow them in life. Many of our habits are healthy, but most of us also have a number of	
	unhealthy habits. It is necessary that we try to take good habits or change unhealthy habits to better ones.	
	• One of the most important healthy habits is to follow a balanced diet each day. Eat a medium-sized breakfast, followed by a	71
	light lunch and dinner. Eat a lot of nuts, seeds and fresh fruits and vegetables between your meals. Drink plenty of water and	
۶	cut down on foods high in cholesterol, fats and sugars. Do not eat a lot, and eat only when you are hungry, never because you	
	are bored, sad or stressed. A regular, balanced diet is important to your physical health.	
	• Many doctors say we should keep the same sleep program seven days a week. Sleep in a dark room without disturbing sounds	
	such as music or other noise. If you often have difficulty going to sleep, ask your doctor about other ways to relax before	
	bedtime.	
	• The human body needs regular exercise for health, but many people do not get enough exercise. Regular good exercise can	
	help prevent diseases, such as high blood pressure.	
	• When life gets difficult, many people do not know how to control their stress. Talking and laughing with friends, watching a	
	movie, taking a nature walk, reading a book or playing a game can all help reduce stress levels.	
	Y. Which of the following is NOT a healthy habit?	
	a. Eating a lot b. Regular exercise c. Playing with friends	
	Y1. According to doctors, we should sleep in a	
	a. dark room b. noisy room c. room in which music is being played	
	YY. Which of the following is a healthy habit?	
	a. Drinking plenty of water a day b. Eating foods high in cholesterol c. Getting a lot of sleep on weekends	
	YT. Which of the following helps us better in reducing stress?	
	a. Reading a book or walking in nature	
	b. Talking to friends or laughing at people	
	c. Watching a movie or playing a video game	
	YŁ. What does <i>cut down on</i> (in paragraph Υ) mean?	
	a. serve b. reduce c. prefer	
	Yo. Circle the number of the main idea of the text.	
	a. Paying attention to physical health improves lifestyle.	
	b. To enjoy a better lifestyle, we need to develop healthy habits.	
	c. The most important thing to enjoy a good life is having emotional health.
